Academic Program Overview

At Lahore American School, we provide a rigorous and comprehensive academic program that is designed to challenge and inspire our students. Our curriculum is based on the International Baccalaureate (IB) framework, which emphasizes critical thinking, problem-solving, and global awareness. We offer a wide range of courses, including advanced placement (AP) and IB courses, to ensure that our students are well-prepared for college and beyond.

Our program is integrated core curriculum, complemented by electives that include art, music, drama, and modern languages. We believe in a well-rounded education that prepares our students for the challenges of the 21st century. Our faculty is highly qualified and dedicated to providing the highest quality of instruction. We are committed to creating a supportive and inclusive learning environment for all of our students.

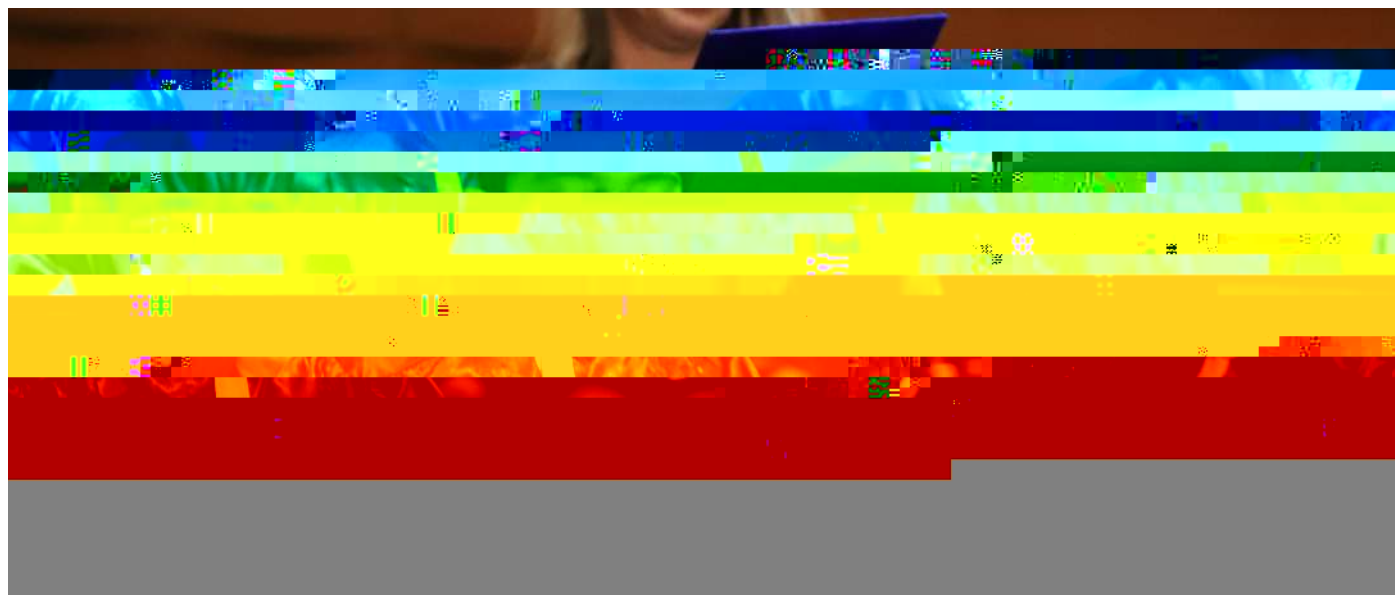

Our academic program is designed to be challenging and rigorous, providing our students with a strong foundation in core subjects and the opportunity to explore their interests through electives. We offer a variety of advanced courses, including AP and IB, to ensure that our students are well-prepared for college and beyond. Our faculty is highly qualified and dedicated to providing the highest quality of instruction. We are committed to creating a supportive and inclusive learning environment for all of our students.

Our Definition of High-Quality Teaching and Learning (HQT): High-quality teaching and learning at LAS is collaborative, student-

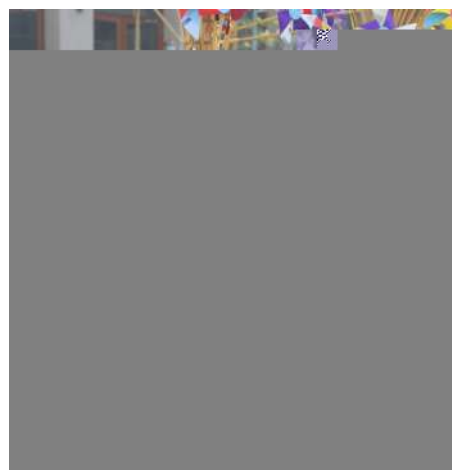

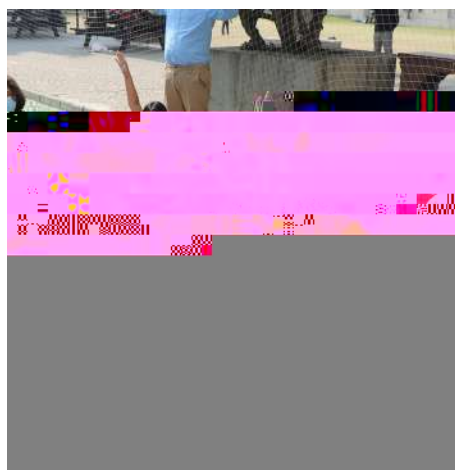

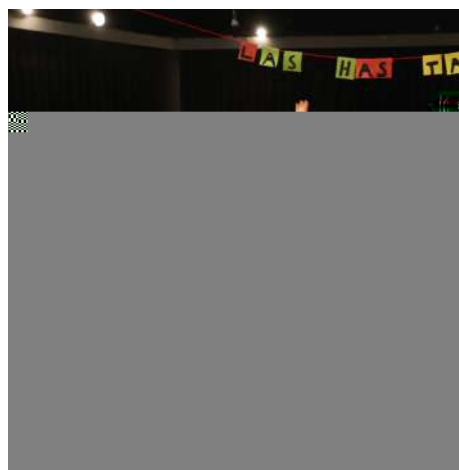

learners and are celebrated for their achievements. Teachers seek to build authentic connections between students, families, and local communities and to create an environment of inclusion.

As clear and critical thinkers with a love of learning and the required knowledge and skills, our students are certain to succeed in their future endeavors. We are committed to providing the highest quality of education and to ensuring that our students are well-prepared for the challenges of the 21st century.

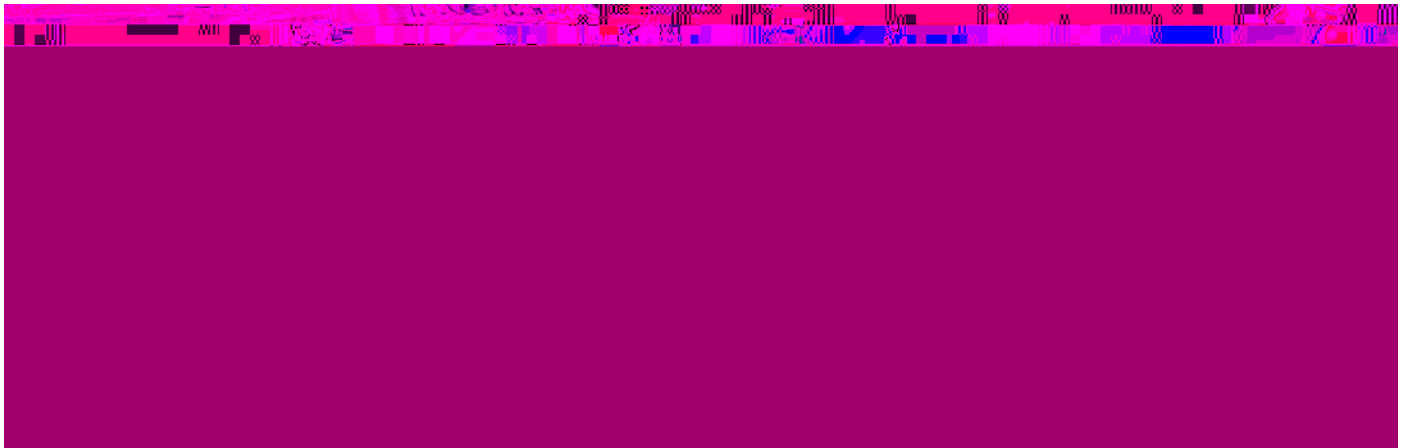

Our Core Values

Our core values are the foundation of our school's culture and the guiding principles that inform our teaching and learning. We are committed to providing a high-quality education that is challenging, rigorous, and inclusive. We believe in the power of collaboration and the importance of building authentic connections between students, families, and local communities. We are committed to creating an environment of inclusion and to celebrating the achievements of all of our students.
